Trey Gowdy

special guest speaker

Representing South Carolina's 4th District, Trey Gowdy entered Congress with a resolute commitment to the conservative principles that have guided him throughout his years in public service. At the core of those principles lies a firm belief in a limited government and the right to life. Representative Gowdy served on the House Committees on Intelligence, Ethics, and Judiciary. In these capacities, he fought to highlight facts, uphold the Constitution, rein in the federal government, and restore America's trust with a renewed spirit of honesty, fairness, and reason. For six years as a federal prosecutor, he took legal action against the full range of federal crimes including narcotics trafficking rings, bank robberies, child pornography cases, and the murder of a federal witness. During his tenure as 7th Circuit Solicitor, Gowdy started a Violence Against Women Task Force, and he implemented a Drug Mother Protocol designed to help expectant mothers break the cycle of addiction. He has two children with his wife Terri Dillard Gowdy, and the family also includes two dogs: Jury and Bailiff.
