

# Grand Rapids **RIGHT TO LIFE**

January 2019

Dear Pro-life Friend:

The 40<sup>th</sup> annual Bike & Hike Festival for Life will be held on Saturday, May 4, at Johnson Park. Proceeds from this family-friendly event will be used to further our outreach efforts by:

- educating people on pro-life issues and distributing pro-life literature.
- creating and promoting programs for youth groups, schools, and colleges.
- organizing public talks and film screenings.
- supporting the work of sidewalk counselors and local crisis pregnancy centers.
- assisting pro-life legislators to establish laws that will protect the unborn and their mothers.

We are looking for sponsors, of any amount, to help underwrite the expense involved with this event. With a minimum sponsorship of \$100, your name will be included on the pledge form, posted on our website, listed on signs displayed at the event, and included in our Constant Contact e-newsletter.

Would you consider supporting this event? If so, please complete the form below and return it with your check in the enclosed envelope by March 15.

Thank you for your patronage of this fun event and for helping Grand Rapids Right to Life continue their work protecting the precious gift of human life.
